How to order

1. Send the reference codes, target country, channel (pharmacy, hospital, tender, laboratory) and indicative annual volumes.
2. We confirm availability, registration status and manufacturer approval for your market.
3. You receive prices, CoA, GMP certificates and dossier details under a mutual NDA; samples on request.

Terms

Prices, certificates and registration documents are released once priority products and indicative volumes are agreed.

Contract manufacturing, fill-and-finish and out-licensing are available for selected products.
